

## California Proposition 65 Statement

The declaration below is applicable to all Cardinal Components part numbers except as noted below.

None of the substances in Cardinal Components parts, except CPFB, violate the exposure or Safe Harbor limits as listed on the California proposition 65, Safe Drinking Water and Toxic Enforcement Act of 1986. Cardinal Components parts may contain Nickel and Cobalt; however, these are part of an alloy and thus not subject to this proposition.

The CPFB contains Lead, CAS# 7439-92-1.
